CARRYING

Universal Pet Barrier

Pet Barrier gently keeps your pet in the cargo area of your vehicle, away from the driver and passengers. The sleek modern styling doesn't look "cagey". Made with heavy gauge tubing, the Pet Barrier fits most wagons and 4WD's. Installs in minutes with no drilling required. Non-mar brace pads won't harm vehicle interior. Height adjusts to 1143mm and width adjusts to 1651mm making it perfect for most vehicles. Large vehicles might require Extension Kit.

Part No.	Description	Colour
20045	Universal Pet Barrier	black
20046	Universal Pet Barrier Extension	black

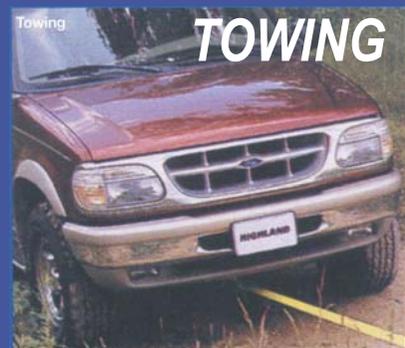

Tow Straps and Recovery (Snatch) Straps

Tow Straps are made of heavy duty 4500kg capacity Power Web™ webbing with zinc plated forged hooks. These products are designed to tow disabled vehicles.

Recovery, or "Snatch" straps, are heavy duty tow straps designed to free stuck vehicles. All Highland Recovery straps are made with Power Web™ webbing and have the ability to stretch up to 20%, then recoil back to 'pop out' a stuck vehicle. We offer Recovery straps in a variety of widths and capacities to meet all your needs.

Tow Straps™ and Recovery Straps™
